Re: Request for Inventory Information  
Inventory No.: 0052  
Well No.: 1  
Location: NW/Qtr; Sec. 29; Twp. 24N; Rnge. 4E  
Osage County, Oklahoma

Dear Mr. Graves:

The subject injection well has been identified as an Authorized by Rule Well in the Osage Underground Injection Control (UIC) program. Regulations require the owner/operator of injection wells to submit inventory information in accordance with [40 CFR 147.2913(a)].

The enclosed form includes inventory information presently available from our files. Please verify this information and update as necessary. If you no longer own the well, please indicate with the new owner's name and address if such information is available.

Please submit the information within 30 days of this letter. Failure to submit inventory information is considered a violation of the UIC program and can result in an enforcement action by the Environmental Protection Agency.

If you have any questions, please contact the Osage UIC office in Pawhuska (918-287-4041) or Mr. Desi Crouther in Dallas (214-767-9933). Your cooperation on this matter is greatly appreciated.

Sincerely yours,

Oscar Cabra, Jr., P.E.  
Chief, Water Supply Branch (6W-S)
